

RESOURCES GLOBAL PROFESSIONALS

2010 SUMMER SEMINARS & BREAKFAST BRIEFINGS

Topical FSA issues and themes

Presented by Resources Compliance the specialist regulatory and compliance consulting practice of Resources Global Professionals. We work exclusively with financial services organisations, providing hands-on assistance and practical advice. Our team of specialists covers disciplines from specialised compliance to taxation and trust law, enabling us to serve clients across all financial service areas. Having worked within a regulated firm and/or for a regulator, our professionals seamlessly integrate into client teams and help manage change from the “inside out”.

2010 looks to be another challenging year for regulated firms as they get to grips with new regulatory issues and the tougher supervisory stance that we have seen from FSA in recent enforcement announcements. So we are delighted to announce our timely Spring series of topical regulatory Seminars and Breakfast Briefings which are an invaluable way of keeping up to date with latest FSA issues.

Breakfast Briefings

New Liquidity Standards and the ICAAP

24th June 2010 – London

s166, Enforcement, Expert Witness & Forensic Services

7th July 2010 - London

Seminars

Gabriel Returns – It’s not just about the numbers

29th April 2010- London

Structured Products and Unregulated Schemes

1st July 2010 - London

Breakfast Briefings are held at our offices and run from 8:30am to 9:45am. There is no charge and refreshments are served to start.

Seminars are held at our offices and run from 10.00am to 1.00pm at a cost of £75 plus VAT with a buffet lunch included.

To avoid disappointment, please reserve your places as soon as possible by emailing Jackie with your preferences.
